- 5-bedroom "home away from home" inside WakeMed Hospital's Heart Center Inn
- Meals and lodging
- Family resources
- Off-site volunteering

3

Ronald McDonald Family Room at Duke Children's Hospital

- Caregiver respite space on the pediatric floor serving inpatient pediatric families
- Free meals, snacks + drinks
- Free shower and laundry facilities
- In-hospital sleep rooms for caregivers

4

Ronald McDonald Family Room at WakeMed Children's Hospital

- Caregiver respite space near the pediatric units serving inpatient pediatric families
- Free meals, snacks + drinks
- Free laundry facility

Program impact.

In 2021, our community of love made possible...

249 Families welcomed and
6,128 Nights of hospitality
in Durham + Raleigh

143 Volunteers sharing
630 volunteer hours
in Durham + Raleigh

368 House meals
delivered to
Ronald McDonald House

In 2021, our in-hospital Family Rooms remained closed due to COVID. Your generous donations of meals, snacks, and drinks were delivered to Duke and WakeMed by RMH and given to grateful pediatric patient families by hospital staff. The Family Room facilities were offered by RMH to the hospitals for use by hospital staff or for respite for the families of COVID-positive patients. *Thank you for your love!*
